Dear Dr

Re: Letter of invitation of DAMEs to attend the DAMEs Feedback Session on the Migration of the Medical Certification Processes and the Amended Regulations & Technical Standards

The South African Civil Aviation Authority invites you to the Designated Aviation Medical Examiners Regional Workshop to be held on the on the **31 May 2019 (9:00am - 4:00pm)**, venue to be confirmed. The purpose of the workshop is to discuss the recent frequent challenges experienced by all the users of the Enterprise Business System (EMPIC related to load shedding and other factors) and future upgrades that will be introduced in the near future relating to the system. Our office would like to thank those DAMEs who participated on the survey conducted last year and would like to emphasize that your input is valuable will assist our office in addressing some of the issues raised by yourselves on the survey.

The purpose of the workshop is to discuss relevant matters, challenges and possible interventions applicable to medical certifications processes. The discussion at the workshop will focus on EMPIC Implementation, but not be limited to:

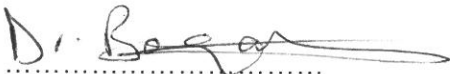

- Management of ENT Conditions in Aviation
- Management of Ophthalmology & Respiratory Ailments
- Practical Flight Test
- Recent amendments to the regulations and technical standards
- DAMEs Medical Practice Oversight
- Common conditions that leads to medical unfitness

- Legal implications of Non-Compliant DAMEs who issue medical certificates to non-compliant applicants
- Provide Feedback on the including demonstration of the Web Based System(remote access) by pilots, cabin crew and air traffic controllers;
- Legal Standards on the Electronic Signature and Electronic Communications & Transaction Act ,Cyber Attack;
- EBS(EMPIC Survey),issues raised and interventions:
- Any other issues.

Our office will be attending the EMPIC User Meeting in Germany in Aril 2019 and request that you provide input on how the system can be improved is greatly appreciated by latest the 9th April 2019. Our office also invite you to provide input on the topics that you would like to see on the agenda for the workshop on the 31 May 2019.

Your input and participation at this workshop is greatly appreciated.Should you have any queries, kindly contact our office.

Yours faithfully

Dr Lesego Bogatsu
Senior Manager: Aviation Medical Department
